Circular

Dated: - 04-02-2020

Dear Parents (Pre-Nursery – XII)

Kindly note some important points related to awareness and preventive measures for Corona Virus:

1. ABOUT CORONA VIRUS (nCoV 2019) INFECTION: Corona Viruses are a group of viruses that cause diseases in mammals and birds. In human, the virus causes respiratory infections which are typically mild including the common cold but rarer forms like SARS and MERS can be lethal.

2. GENERAL SYMPTOMS:

- Coughing, Runny nose
- Fever
- Sore Throat
- Shortness of breath

Exceptional Symptoms - Vomiting Diarrhea **Advanced Symptoms** - Severe Pneumonia, Renal Failure

3. HOW DOES IT SPREAD

- Direct contact with infected patients
- Droplet during Patients coughing or sneezing
- Close contact with patient's articles & then directly touching the nose, eyes and mouth

4. DO's

- If you or someone you know has visited China or countries where the outbreak has occurred and you have the symptoms, please contact nearest health facility.
- Wash hands frequently with soap and water.
- Avoid touching eyes, nose and mouth with unwashed hands.
- Avoid close contact with people with symptoms of the disease.
- Use tissue or handkerchief while coughing or sneezing.
- Visit nearest health facility in case of developing symptoms.

5. DON'T's

- Do not panic.
- Avoid visiting overcrowded public places.

Wishing you healthy and safe future for your ward.
