Session 2025-26
Social Science
Annual Bifurcation
ClasssX**

(CODE NO. 087)

SUBJECT : SOCIAL SCIENCE

The main objectives of the syllabus are

1. To develop an understanding of contemporary India with its historical perspective of the goals and policies of national development in independent India.
2. To develop qualities clustered around the personal, social, moral, national and spiritual values that make a person humane and socially effective.
3. To promote an understanding of the issues and challenges of contemporary India-Environmental economic and social, as part of the development process.
4. To develop an appreciation of the richness and variety of India's heritage both natural and cultural and the need for the preservation.
5. To develop academic and social skill such as critical thinking, communicating effectively both in visual and verbal forms- cooperating with others, taking initiatives and providing leadership in solving others' problems.
6. To deepen the knowledge and understanding of India's environment in its totality, their interactive processes and effects on the future quality of peoples lives.
7. To recognize and celebrate outstanding contribution of individual social scientist.
8. To encourage international cooperation in the advancement of social science.
9. To develop an understanding of the processes of change and development both in terms of time and space, through which human societies have evolved.
