Q8. How does the influence of foreigners contribute towards the diversity of a

Case Study Based Question

Q9. Read the extract and answer the questions that follows.

Ladakh is a cold desert . There is no rainfall. Such desert conditions do not allow agriculture , though a few trees are able to grow in this cold desert. People depend on the melting snow during the summer months for drinking water .The life of the people is difficult . Wheat and Barley are the main crops grown here. Apricots are also grown and exported . People mainly depend on sheep ,goat ,cow and yak rearing. The sheep in this region are special because they produce Pashmina wool . This wool is very costly . pashmina shawls are made from it. The Ladakh region has many passes through which caravans travelled to Tibet in the past . These caravans carry textiles ,spices, raw silk and carpets .The culture of Ladakh is a mix of both Indian as well as Tibetan tradition .

1. What are the main crops grown in Ladakh?
2. How drinking water is available for the people of Ladakh ?
3. Why the sheeps of this region are very special?
4. The culture of Ladakh is a mix of both Indian as well as _____ traditions.

Q10 What does the diversity in clothing tell us about India's climate and cultural traditions?
