

**Delhi Public school Jammu**  
**Session 2021-22**  
**Assignment-I**

**CLASS – XI**

**Subject: History**

**TOPIC: From The Beginning of Time**

**Based on your understanding of the E-Lecture-cum-PPTs, video links and other E-Resources shared with you, answer the following questions:**

1. What are the main sources of information about the earliest forms of humans?
2. Write the names of the countries in Africa where the earliest human forms were found?
3. Whether modern humans originated from one region or several regions simultaneously? Explain logically.
4. Describe any aborigine society at present which can throw light on the hunting-gathering societies of the past.
5. Explain the physical features of Australopithecus, the genus of the earliest primate.
6. Describe the gradual evolution of modern looking humans in the sequence
7. How can you say that the Homo heidelbergensis and Homo Neanderthalensis primates found in Germany were migrated from Africa?
8. What period has been considered as a development of language among primates?
9. Name the place where evidence of flakes and hand axes are found.
10. Who had discovered the first Homo habilis in Tanzania?

**Note:**

Due date of submission: .....31/05/2021

Send your answers here: ([rayeeskhanday33@gmail.com](mailto:rayeeskhanday33@gmail.com)) or WhatsApp  
916005070757

Students must mention their name, class, section and date in their assignments.

Your assignment will be marked for internal/Term assignments. Therefore, it is necessary for you to submit it on time.
