The Four Pillars of Education

These four pillars of knowledge cannot be anchored society in one phase in a person's life or in a single place. There is a need to re-think when in people's lives education should be provided and the fields that such education should cover. The periods and fields should complement each other and be interrelated in such a way that all people can get the most out of their own specific education environment at through their lives.

.....It was but yesterday we met in a dream.
You have sung to me in my aloneness, and I of your longings have built a tower in the sky.
But now our sleep has fled and our dream is over, and it is no longer dawn.
If in the twilight of memory we should meet once more,
we shall speak again together and you shall sing to me a deeper song.
And if our hands should meet in another dream we shall build another tower in the sky.

SCHOOL TRANSPORT

Students can avail the School Transport subject to the availability of seats in the buses of the concerned routes. Parents should consult school Transport Manager for necessary details. Bus facility is not mandatory. The application for the cancellation of the school transport should reach the school office by or before 30th Nov. No application for discontinuation of the school transport will be entertained after **30th November**.

Transport Enquiry:- Contact Nos. : 7051943471, 9796217802

BUS RULES FOR STUDENTS

1. All students using the school bus are expected to be on the stop at least five minutes before the arrival time of the bus,
2. The buses will not wait for the late comers.
3. The children waiting for the bus should stay away from the main road.
4. No student should come near the entry door of the bus unless it has made a complete stop.
5. All students must occupy the seats immediately after boarding their buses.
6. The front door of the bus is the only authorized entrance and exit.
7. The drivers are authorized to stop buses at the designated stops only, unless otherwise directed by the bus teacher. A list of Bus stops has been prepared keeping in view the convenience and safety of all bus commuters and is always subject to change.
8. When the bus is in motion students must not move around in the bus and no part of their body should be outside the bus.
9. Objects of any kind must not be thrown inside the buses.
10. Students will be held responsible for any damage to the bus caused by their negligence or vandalism.
11. No student is allowed to eat anything in the bus.
12. Unruly behaviour like shrieking and shouting is strictly prohibited in the Bus. Courteous behaviour is expected all the times from the students.
13. The driver's attention must not be distracted for any reasons.
14. The bus teacher and the bus monitors are responsible for maintaining discipline in the buses. Any offence in the bus must be reported to the Principal.
15. If any student discontinues the use of school transport in between the session, he/ she will not be allowed to reuse the bus services.

Note : All parents whose wards are availing transport facilities are requested to give full information about the routes before the beginning of the new session. Please note that no change will be entertained during the mid session.

DECLARATION

I fully understand that the school, on granting admission to my ward (detail given below), is not in any way bound to provide transport facility. Transport facility is purely based on the availability of seat in the bus and good behaviour of the Child. I also understand that the decision of the Principal will be final and binding upon me.
