

DELHI PUBLIC SCHOOL JAMMU

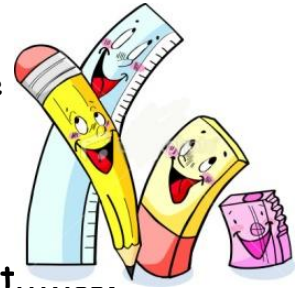

SESSION:2023-24

CLASS:VII

Dear Students

Summer vacations are synonymous with fun, frolic, getting up late in the morning, going for picnics, spending time with friends, exploring new places, and watching fun filled shows on television. But there is lot more you can do to make your vacations more meaningful, interesting, and fun while still doing your favourite act.....

Here are some suggestions you may like:

- Go out for morning walk and spend time to observe nature.
- Watch your mom working in the kitchen and help her keep the house clean.
- Visit your grandparents, spend time with them.
- Teach them to operate some useful applications in mobile phones.
- Plant a sapling and watch it grow.
- Play any sport with your parents which they played during their school days.
- Devote some time for reading during the summer break. Some suggested books:

Summer vacation is the time when you can be more candid and creative. The Holiday assignments are focused to let the creative and latent talents, skills and desires of the children come to the surface in a joyful and experiential manner.

So dear children, Get... Set... Go... Enjoy doing the activities and ensure timely completion of the given assignments.

Subject-English

Q1. World Environment Day 2023 is a reminder that people's actions on plastic pollution matters. The steps governments and businesses are taking to tackle plastic pollution are the consequence of this action. It is time to accelerate this action and time to #BeatPlastic Pollution.

Last month you pledged along with your family and friends not to use single use plastic. Design a certificate of the pledge and paste it with your article. Discuss a few ways to avoid single use plastic.

Important instructions: Children will write the article on an A4 size sheet. The article should be original and thought provoking. Word limit 120 -150 words.

Q2. Read any one of the following poems from your Main Coursebook. Choose the stanza/line you like the most in the poem and illustrate it in the form of a picture/drawing.

1. The Squirrel
2. Meadow Surprises

How to do: Explore your imagination and depict the poem as an artistic representation.

Where to do: Use A3 or A4 sheets for illustrating the same.

Parameters for Assessment: Originality, creativity, presentation and being innovative.

Q3. Kindly press on the link below to enjoy an ICT activity based on Prepositions.

<https://www.gamestolearnenglish.com/prepositions-game/>

■ हिंदी ग्रीष्मावकाश गृहकार्य ■

- 1) पर्यावरण संरक्षण हेतु चलाए गए अभियान " चिपको आंदोलन " पर जानकारी एकत्रित कर चित्र सहित 50 -60 शब्दों में लिखिए कि आप पर्यावरण को सुरक्षित कैसे रख सकते हैं ?
- 2) आप अपने जीवन में किसे अपना आदर्श मानते हैं? उनके किन गुणों को आप अपनाना चाहते हैं और क्यों ? उनका चित्र चिपकाकर लिखिए ।
- 3) प्रकृति का संतुलन बनाए रखने में पक्षियों का बहुत बड़ा योगदान है, इन पक्षियों के बचाव के लिए हमारी भावी पीढ़ी का क्या-क्या योगदान होना चाहिए? चित्र सहित प्रस्तुत कीजिए।

Subject: Maths

Task-1

Fractions are important because they tell you what portion of a whole you need, have, or want. Fractions are used in baking to tell how much of an ingredient to use. Fractions are used in telling time; each minute is a fraction of the hour.

For better understanding and learning about fractions, prepare a working model to show fractions.

Aim: Aim of this art-integrated activity is to make a working model to learn about fractions.

Materials required:- Thick colored sheets, a tooth pick, scissors, glue-stick and geometry box.

Reference link:- <https://youtu.be/DLrvgtVw3a8>

Task-2

Social distancing – Problem Solving

Rohan is standing inside the third circle in a grocery store and there is a 6 feet distance between the centre of one circle and the next and 2 feet distance from the counter to the first circle to maintain social distancing.

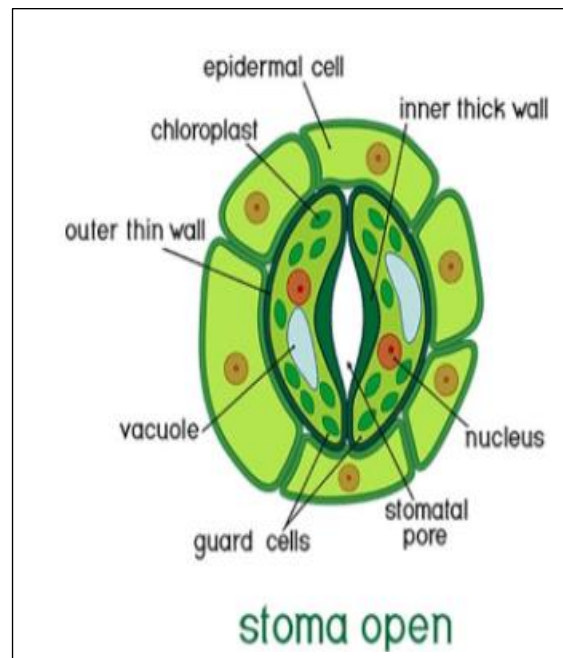

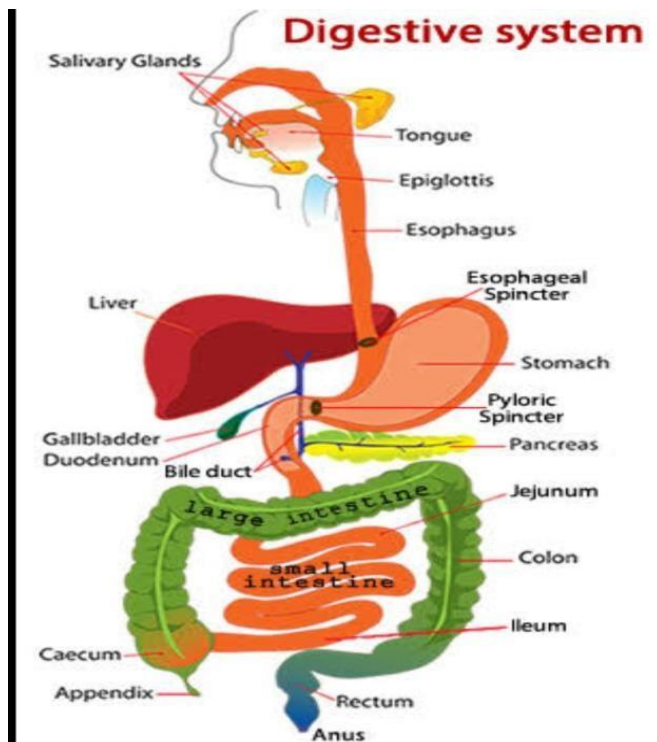

- a. If Rohan's friend is 5 circles behind him, find the distance between the grocery store counter and his friend.

- b. If Rohan moves back 2 circles. What is the distance between Rohan and his friend?

SUBJECT- SCIENCE

Q1. Draw a neat and labeled diagram of

- (i) Human digestive system: Take different colored waste materials available at your home. Cut them into various shapes resembling with that of the human digestive organs such that one colored material represents one organ. Make the complete labelled Human digestive system. Explain the process of digestion in detail. (Work to be done in scrap book)
- (ii) Stomata: Make structure of stomata by using kidney beans. Explain how does the stomata contribute in photosynthesis and transpiration. (Work to be done in scrap book)

Q2. Spend some time every day with your mother in the kitchen and help her. Find out 10 physical and chemical changes taking place there. Tabulate your data under following heads. Paste pictures to support your answer. Do this on Scrap book.

Activity	Observation in shape, size, color, smell	Type of change
1		
2
